

How to Get to Family Time at Strides Toronto What's Up Walk-In Clinic

📍 1940 Eglinton Avenue East, Suite 300

We are located in the 5-story office building on the northwest corner of **Warden and Eglinton**.

A helpful landmark to find our location is the **RBC Royal Bank** on the ground floor corner unit.

1 The main entrance of the building is right beneath the **"1940 EGLINTON"** sign.

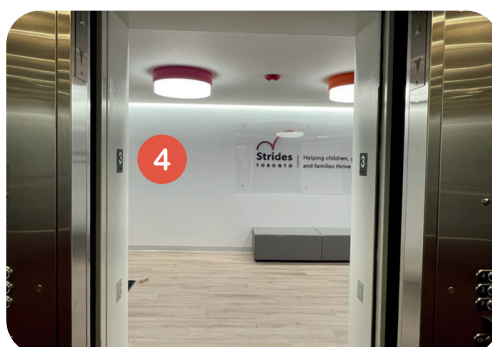

2 Main entrance
After you enter through the main entrance, you will be in the lobby.

3 Lobby
Look for the 2 elevators. Take an elevator to the **3rd floor**.

4 When the elevator doors open, you will see a **Strides Toronto sign**.

5 Walk to **the door on the right**.

6 There will be a friendly face at the **front desk** to greet you and help you get connected with a counsellor for a **single session at What's Up Walk-in!**

P  **More Parking Information**

Our office building is connected to a shopping plaza called **Eglinton Corners**.

More free parking spots are available in the plaza, behind the building.

If you park there, you can also enter the building through the sliding doors at the back.
